

Learn practical ways to care
for family records,
photographs, and keepsakes.

Genealogy @ the Georgia Archives:

Preserving Family History

Date: June 27, 2026	Time: 10:00 am - 3:45 pm	Location: Georgia Archives	Cost: Free
----------------------------------	---------------------------------------	---	----------------------

Program Description

Family photographs, letters, albums, and documents can be difficult to care for over time. This program will share practical tips for preserving them at home, explore ways to digitize them using memory lab resources, and cover options for working with a library or special collections repository.
