GHRAC AWARDS NINE GRANTS

The Georgia Historical Records Advisory Council (GHRAC) seeks to enrich the culture and protect the rights of Georgians by fostering activities that identify, preserve, and provide access to the State's documentary heritage. Using funds awarded to the University of Georgia Libraries and the Georgia Archives by the National Historical Publications and Records Commission (NHPRC), GHRAC awarded grants totaling \$35,000 to the following entities to develop and/or implement projects to identify, preserve, and provide access to historical records:

Middle Georgia State University Library
Okefenokee Heritage Center
Charles D. Switzer Library
Upson Historical Society
Sugar Hill HPS
Atlanta History Center
Alexander Campbell King Law Library
Booker T. Washington High School
Chipley Historical Center

GHRAC plans to offer a similar grant opportunity in 2023, dependent on federal funding. More information will be released in the coming months.

The Georgia Archives is a unit of the Board of Regents of the University System of Georgia. The Georgia Archives identifies, collects, manages, preserves, provides access to, and publicizes records and information of Georgia and its people, and assists state and local government agencies with their records management.
