GHRAC AWARDS NINE GRANTS

The Georgia Historical Records Advisory Council (GHRAC) seeks to enrich the culture and protect the rights of Georgians by fostering activities that identify, preserve, and provide access to the State's documentary heritage. Using funds awarded to the University of Georgia Libraries and the Georgia Archives by the National Historical Publications and Records Commission (NHPRC), GHRAC awarded grants totaling \$35,000 to the following entities to develop and/or implement projects to identify, preserve, and provide access to historical records:

Moore Methodist Museum
Historic Oakland Cemetery Foundation
University of North Georgia
Troup County Historical Society/Probate Court
Walker County Records and Archives
Museum of Contemporary Art of Georgia
Chipley Historical Center
Friends of Rylander Theatre
Laurens County Library

GHRAC plans to offer a similar grant opportunity in 2022, dependent on federal funding. More information will be released in the coming months.

The Georgia Archives is a unit of the Board of Regents of the University System of Georgia. The Georgia Archives identifies, collects, manages, preserves, provides access to, and publicizes records and information of Georgia and its people, and assists state and local government agencies with their records management.
